# LAMINATION

Lamination division established in 1984 serves our clients in Taiwan and overseas. We provide Stator Winding and Rotor Die-Casting Services. For clients stamping needs, Shipwright provides different popular sizes of sharing dies -- samples photos are shown next page; it saves plenty time and money for clients to make orders in sharing dies. For clients special design motor, our stamping die manufacture division with thirty years experience serves all clients needs, as well as stamping lamination division.

## STAMPED PRODUCT

- Stator & Rotor for electric motor.
- E & I for transformer.
- Armature for DC electric motor.
- Electric lamination sheets.
